

Kaileb Hawkes  
Harpwell

My name is Kaileb Hawkes from Harpswell, Maine and I am 20 years old. I am a 3rd generation lobsterman with a federal lobster permit. Me, my grandfather, and my dad will all be affected by these offshore windmills. I could write a book about why this is a bad idea, but all I am going to say is please support LD101. The lobsterman never get involved in politics, but I am begging you all for support.
