

Mack Kelley  
Resident

To whom it may concern. I do not want windmills in Maine waters or federal waters outside the state of Maine boundary. I support LD 101! I am a fifth generation Maine lobster fisherman. My family and community rely on fishing for everything. We can. It be forced out of the water for these windmills ghat have been proven to be a disaster.

Thank you for taking the time to read this.

Sincerely,  
Mack Kelley
