

Cynthia Anderson  
Belfast

To the Committee on Energy, Utilities, and Technology:

I hope you support LD 1659. I see the model has been successfully applied to the Committee on Energy, Utilities, and Technology:

I hope you support LD 1659 in Connecticut. I especially like that it provides support for low-income households. I see it as a boost to Maine economy, to climate action, and to the well-being of Maine people.
