The Honorable Heather Sanborn, Chair  
The Honorable Denise Tepler, Chair  
The Joint Standing Committee on Health Coverage, Insurance and Financial Services

Dear Senators and Representatives,

My name is Dan Mickool and I'm a resident of Portland. I serve as the President of the Maine Pharmacy Association and have reviewed LD 998 *"An Act to Amend the Continuing Education Requirements for Pharmacists"*. After extensive discussion with my board we wish to testify neither for nor against this measure and we will support the decision of the Maine Board of Pharmacy in regards to licensing requirements.

Kind regards,

Dan Mickool R.Ph, M.S., EdD  
President, Maine Pharmacy Association
