To Whom It May Concern:

I support LD 1357, An Act To Require Private Insurance Coverage for Postpartum Care. Being recently postpartum myself (4.5 months), I firmly believe that birthgivers need additional support after childbirth and this bill would have an enormous impact on Maine families. One single 6 week checkup post delivery is not enough. I have personally suffered with Postpartum Depression, Pelvic Floor Dysfunction and Anxiety and it is a large financial burden to not only have a new baby but also pay for services out of pocket. With this bill, birthgivers can have access to the specific care they need to thrive and flourish after the birth of a baby, I know I would have personally benefited greatly from LD 1357.

Sincerely,
