

Pete Harring  
Washington

Senator Heather Sanborn, Representative Denise Tepler and distinguished members of the Committee On Health Coverage, Insurance and Financial Services.

My name is Pete Harring from Washington, ME. I am not a lobbyist or a member of any special interests group. I am an American citizen and a resident here in the Great State of Maine. I come to you today to ask that you vote "Ought Not to Pass" on LD 1463 An Act To Make Health Care Coverage More Affordable for Working Families and Small Businesses. This bill is nothing more than a "Feel Good" bill and will only increase Health Insurance premiums for Thousands of Mainers, by adding a 2.85% tax on all premiums sold in Maine. You are absolutely delusional if you think the costs to the Insurance companies will not be passed on to the consumer. Get a grip and come on into reality.

Thank you for your time, and I respectfully ask that you vote  
"Ought Not to Pass."

May you all have a Blessed day.

Pete Harring
