Greetings members of the HCIFS committee,

I am writing you to demand you vote ought NOT TO PASS on LD 1463!!!

This is a scam - welfare re-distribution — taking from one group of people to hand to another group of people! It also adds a TAX!!

Whoever thinks a business, in this case insurance company, wouldn't pass on the tax onto the consumer, lacks all common sense!!

NO tax for ME - Vote NO on LD1463!
