The Constitution of the State of Maine, Article 1, Section 1 reads, "All people are born equally free and independent, and have certain natural, inherent and unalienable rights, among which are those of enjoying and defending life and liberty, acquiring, possessing and protecting property, and of pursuing and obtaining safety and happiness." Each of you, whose mission it is to represent We the People, took the oath of office and swore/affirmed before Almighty God that you would uphold the Maine State Constitution and defend life. Someday you will stand before God, the Creator and Giver of life, and give account as to whether or not you defended life or authorized legislation which allowed the butchering of babies in the womb or dismemberment, corruption, and perversion of our youth. The People of Maine say no and I strongly urge you to vote in opposition to LD 227.
