Limington  
LD 227

Senator Bailey, Representative Perry and members of the Legislative Health Care, Insurance and Financial Services Committee. I am writing to strongly urge you to oppose LD 227. This bill violates parental rights and puts minor children in harm's way. Blood will be on the hands of this committee if you pass this bill. Please do what is right and protect the children of our state and other states. Please vote ought not to pass.

Thank you,  
Julie Anderson
