

Gabe Berenyi
Levant
LD 227

Senator Bailey,
Representative Perry and members of the Legislative Health Care, Insurance and Financial Services Committee, I am Gabe Berenyi I live in Levant Maine and I am here to testify strongly against LD 227, an act regarding health care in this state. As a young adult hoping to start a family some day I want to protect my right as a parent to have a say in my future children's health care. This bill is dangerous and threatens the safety of children and their bodies. In no way shape or form does this bill show care or love towards the children of this state or any other state. I urge you to vote against this bill!
