LD 227

I am asking you to vote "Not to pass" on bill LD227. This is a really bad bill and for the sake of our children please vote no. I am shocked and appalled that any such bill would even be considered. How can smart intelligent people even consider mutilating children and then keeping it from their parents? Which is what this bill will allow if passed. This bill tramples on parents rights, and even the rights of other states. Who is the world do we think we are anyway!

Please do not ignore the voices of hundreds of people who showed up on the spur of the moment to speak against this bill. Please Do Not Ignore the Voice of the People!
