Livermore
LD 227

Senator Bailey, Representative Perry and members of the Legislative Health Care, Insurance and Financial Services Committee,

I am Rhonda Couture, I live in Livermore, Maine and I am here to testify strongly against LD 227, An Act Regarding Health Care in the State.

I beg of you to think this through - look at your heart - see how this will destroy our state, families and all that is good! Look deep inside your heart and know that this is evil - nothing about it is right, true or fair. We deserve better (our babies, our children...)! At the end of each day, we answer to God - He is not happy with us!

Shedding tears today,
Rhonda Couture
