LD 227

I'm against the proposed Legislation LD227 as I find it absolutely Outrageous and an absolute EVIL and Disgrace to my Community, my State of Maine and the Country! Our Children should be Protected by their Parents and not trafficked and mutilated under the propaganda of GENDER AFFIRMING HEALTHCARE!!! I believe only Pedophiles and people with absence of Dignity can promote and accept the proposed legislation via LD227

This bill is nothing but a Pure Evil and Darkness! Myself, my Family and my Community pray that people who dare to even propose this bill will be punished or seek a treatment for their mental issues!

With Due respect,  
Tatsiana Crawford
