

Aleene Galante
Buckfield
LD 227

I would like the committee to know that I am vehemently opposed to the passage of this bill. It in no way represents my wishes, opinions or beliefs and instead tramples on my rights as a citizen of the State of Maine, not to mention the rights of every parent in our country. I also do not believe that this is in the best interest of our children or women. Please vote to kill this over-reaching bill in committee.
