

Marilyn Graham  
Wells  
LD 227

Sen. Baily, Rep. Perry, and members of the Legislative Health Coverage, insurance and Financial Services Committee, I am Marilyn M. Lowe, and I live in Wells, Maine. I am definitely opposed to LD 227. Some of my reasons: because it would scandalize our great state as being a sanctuary state for those whose home state does not allow for abortion up to birth, nor transgender mutilation of children, not to mention the terrible human trafficking it would bring into Maine of children making gender decisions without any parental notification or permission. Maine used to be "the way life should be," and it now has the distinct possibility of becoming "the way life should absolutely not become," instead. There is a God, really, and we are not Him. I will pray this bill does not pass, and that any Maine legislator will come to reason and common sense, and say NO to its passage. Thank you for your attention to my message.
