

Patricia Halpin
Newport
LD 227

My name is Patricia Halpin and I reside in Newport I oppose LD277 IT Is wrong at many levels it gives other states the right to take children from their parents and bring t to Me to abort babies and to mutalate bodies of young child against their parents. This will also allow for sex slavery. This is a horrific event and should not be passed under any circumstances. I vote ought not to pass and hope you will join me in this decision. Thank you for your time.
