LD 227

Senator Bailey, Representative Perry and members of the Legislative Health Care, Insurance and Financial Services Committee, I am Sarah Hamel, I live in Bucksport, Maine and I am testify strongly against LD 227, An Act Regarding Health Care in the State. LD 227 is an attack on Parental Rights that strips parents of their Fundamental natural rights, It actually validates sex trafficking and endorses state-sanctioned kidnapping of a minor! If passed it will tear apart families, irrevocably harm children for life! Thank you for your time in reading this and please stand against LD 227.
