Committee members of LD 227, I write to you to testify that I vehemently oppose this abomination of proposed legislation in this bill.

In essence, it is state-sanctioned: murder of children in the womb, child mutilation in sex-change modifications, state-sanctioned kidnapping/ trafficking of minors from legal guardians, and protection for those with evil and malicious acts towards children.

This bill completely undermines the authority of the parents and guardians of children who know/ decide what is best for their children.

This evil bill aims to establish Maine as a sanctuary state and a harbor for criminal child traffickers from other states, as well as as child abusers who wish to modify and mutilate children for their perverted pleasure.

Committee members of LD 227, is it your perverted pleasure to promote the abuse of children???

The people of Maine vehemently oppose this bill.

Not only so, but the Sovereign Lord of Heaven is against everyone who participates in evil deeds of darkness like these. His full wrath is coming for evil men, and an eternal Hell is awaiting for all who reject Jesus Christ as Lord. Yet, you can be saved from your sins and your eternal judgement, by repenting of your evil deeds. Simply by asking Jesus Christ to forgive you, and by surrendering your life to Him. Only then will you be spared from eternal judgement, and given new life in Christ. Jesus

Committee members of LD 227, it's not too late for you to oppose this satanic bill, and to do what is right in God's eyes.

It is also not too late for you to cry out to Jesus to save your soul.

Cry out to Him today. He will hear you.

Romans 10:13 “whoever calls on the name of the LORD, will be saved.”
