

Abigail Hinchliffe
Levant
LD 227

Senator Bailey, Representative Perry and members of the Legislative Health Care, Insurance and Financial Services Committee,

My name is Abigail Hinchliffe, I live in Levant, Maine and am writing today to ask that you vote against LD 227. This bill does not protect children, in Maine or in any state. It would take away parental rights of the parents of Maine as well as any other home state of a child seeking gender transition medical care and gives it to the state. This is not the way to protect children. It also endangers the health and safety of children caught in kidnapping or trafficking situations. Furthermore, children are not developmentally prepared to make such life altering and permanent decisions. Please vote ought not to pass on LD227.
