

Jacob Hinchliffe  
Levant  
LD 227

Senator Bailey, Representative Perry and members of the Legislative Health Care, Insurance and Financial Services Committee,

My name is Jacob Hinchliffe, I live in Levant, Maine and am writing today to ask that you vote against LD 227. This bill will endanger the children of Maine and will risk the loss of parental rights in our state. Allowing children who are not old enough to legally vote or drink to make decisions that will affect them for the rest of their life apart from parental involvement is wrong. This bill will also create a dangerous environment for child trafficking situations. Ultimately, the state would have the right to assume guardianship of children against the wishes of parents in Maine and across the country. State sanctioned kidnapping brought to you by the government of Maine. Please vote ought not to pass on LD227.

Thank you,  
Jacob Hinchliffe
