I oppose LD 227 - An Act Regarding Health Care in the State

I'm a tax payer and I'm not interested in paying out of state or in state gender mutilations / abortions. Our tax dollars should help the homeless MAINERS and put a stop on illegal immigration, The only reason why you want illegal immigration is for the votes for democrats even if they're criminals or gang related or growing illegal marijuana. The only police that are taking down the illegal marijuana grow facilities is the elected sheriffs. Stop destroying MAINE
