

Rachel Lenher
Orono
LD 227

Senator Bailey,
Representative Perry and members of the Legislative Health Care, Insurance and
Financial Services Committee, my name is Rachel Lenher , I live in Orono, Maine
and I am here to testify strongly against LD 227, An Act Regarding Health Care in the
State.

I have heard personal stories of young people who went a confusing puberty and went
through all the surgeries and they were left with a mutilated body and still the same
confusion because this is not going to help. It is torturous to allow this. I beg you to
do all you can to stop this bill.
