LD 227

LD 227 is the most horrendous bill to come to hearing yet. This bill would strip parents of their rights. It would cause those traffic children a safe haven. It was cause a non necessary surgical procedure to become a right. This would put the financial burden on the taxpayers of the state of Maine. This bill would strip not just parents in Maine of their legal rights but any person in the United States who children are brought here under this pretense. This is a terrible, terrible bill. Please vote OUGHT NOT TO PASS.
