RE: LD-227 An Act Regarding Health Care in the State

Members of the committee, I would like to express my Opposition of LD-227 An Act Regarding Health Care in the State

My Name is Jonathan Martell, from Sanford.

I am a current Sanford City Councilor and member of multiple health choice organizations.

This is not about the needs of children, this about grooming and kidnapping. This bill is nothing more than child trafficking and mutilation of children. When you need to hide practitioners , prevent law enforcement from performing their duties and ignore legal warrants from other states, you know you are doing wrong.

Please do the right thing and vote ought not to pass.

Sincerely,

Jonathan Martell
Sanford, ME
