LD 227

I oppose LD 227. I think it's time that the State of Maine start considering how WE the people feel about these bills. WE ARE NOT FOR THESE EXTREME BILLS. Nor do we want to be known as a sanctuary state where anyone can bring a minor for such services such as abortion and surgeries for transgender without parents consent. This isn't about healthcare you would be opening the door for minors to be transported to the State of Maine by an abuser or sex traffickers. The list goes on and on. Please take a moment and seriously consider what you are asking for when proposing such extreme bills.
