

Cory Reynolds
Dexter
LD 227

dear senator bailey and rep. perry and the members of the health coverage, insurance, and financial services committee:

my name is cory reynolds. i live in dexter, maine and i oppose ld 227. maine should not be a sanctuary state for anyone. we can't even take care of our veterans, and homeless in this state.

we have a homeless and mental health crisis, citizens here in maine.. taking away parental rights of a child from this state or any state. is wrong.

please protect the maine children and all children by voting against ld 227.

thank you
republican cory reynolds
