Montville  
LD 227

Senator Bailey, Senator Perry, and members of the Legislative Health Care, Insurance and Financial Services Committee. I am Morgan Southworth. I live in Montville and I would like to testify strongly against LD 227. This bill is promoting child abuse by stripping away the rights of parents and is in favor of giving the State authority over our kids. We are headed for very dangerous times if this bill is passed. Children are not allowed to do many things because their brains are not fully developed and yet this bill would allow our children's bodies to be altered permanently based off of a feeling they have. We need to protect our children that are both in and out of the womb. How have we gotten to this point of killing our children in the womb and those that are allowed to be born are destroyed physically and mentally? It says in Isaiah 5:20-21,23- woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight! Which justify the wicked for reward, and take away the righteousness of the righteous from him!
