Farmingdale
LD 227

I am STRONGLY opposed to bill LD 227. I believe that this bill is entirely unethical and will destroy the lives of many children and their families if it is passed. Here in Maine, we are a "Vacationland" state known for beauty and being a wholesome destination; this bill will cause this state to become a "Vacationland" for wickedness and I plead with you not to let this bill pass. Thank you.
