

Jessica bellows
South thomaston
LD 227

Dear senator, representatives, members of the legislative health care, and insurance and financial committee

My name is Jessica Bellows and I live in South thomaston. Maine and I testify against LD227, an act regarding health care in America.

I am horrified at this legislature. Kids brains have no developed enough to make these choices. Their brains aren't fully developed until age 24. Please stop those horrifying legislature
