Re: LD 949 – An Act to Clarify Licensing Jurisdiction for Manufactured Housing  
Committees

Position: OPPOSED

The Maine Town & City Clerks' Association is opposed to LD 949 and we thank you for the opportunity to outline our points for your committee.

Members expressed concern about a reduction in municipal revenues, since some municipalities charge fees for licensing mobile home parks. Language in this bill appears to encompass all fees charged, which would also impact building permits, plumbing permits, sign permits, and subdivision fees.

The Maine Town & City Clerks' Association appreciates the opportunity to share its testimony with the Committee. Should any questions arise, please feel free to contact me at (207)680-4210 or by email: [pdubois@waterville-me.gov](mailto:pdubois@waterville-me.gov) .
