I am a live in whippoorwill hill mobile home park in Wiscasset our park was sold to an out of state investor since the sale our rent has increased from 305 per month to 655 per month. The owner has not kept up with maintenance in the park we went months without water our road is not being maintained, we have overflowing septic systems. We have not been able to get any of these problems addressed on our own the only thing we can hope for is for the state to step in and help with the rent increases and horrible living conditions.

Thank you , Harold c Small Jr.
