

Mohamed Mohamud
Lewiston

Hello,

My name is Mohamed Mohamud, I am a resident of Lewiston, Me. I am a volunteer driver of Maine Community Integration -MCI and I am here today to testify in favor of LD 17.

As a Volunteer Driver, who offers transportation for shopping, recreation, doctor's appointments, and other needs for Seniors. Most of the Clients are adults or disabled and unable to use most public and paratransit systems. Some need personal assistance such as wheelchair help, help with bags, etc. through a passenger's door and on through the door of their destination and back.

Please do not forget them, they will get isolated if they do not have a way to get to the community centers, to the doctors and to the stores etc.

Thank you for your support,

Mohamed Mohamud
