Alot of Federal Covid \$\$\$ coming to ME at all govt levels. Time to spend it on jobs, climate, mental health, families. Because it ALL is Covid related.

I support bills that locate services for family mediation, mental health, addiction... in the community.

LD 488 sounds like it might do that

To build opportunity not jail cells,
our Resources & Commitment must be to people where they live.

Reparative & restorative justice

Green Education/jobs - marine, land, local agriculture, sustainability.

DEcentralize. Counties & communities can partner for bold programs not jail beds
