THIS IS NOT RIGHT & is probably unconstitutional. PLEASE, for the sake of our freedoms and rights as US CITIZENS, VOTE to STOP the Unelected officials, and the elected officials to be Frank, from fining people and businesses who just need to live without fear from their own government! Enough! This virus has destroyed our livings and natural freedoms for war too long and it all needs to stop! DO WHAT'S RIGHT FOR MAJORITY WHO AREN'T AT RISK OF DYING FROM A FLU/VIRUS. Use HCQ as needed and immune support and stop INFRINGEMENT ON US!!
