

David Manter
FAYETTE

Senator Claxton, Representative Meyer, Members of the Committee on Health and Human Services,

My name is David Manter and I live in Fayette.

It is high time the Legislature read the US Constitution, especially the 14th Amendment, which says, "No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

How much more "NO" do you need to be told about dealing with people on their private property? Plus, you cannot authorize anyone to enforce your unconstitutional law.

Remember, we gave you your jobs to protect our rights against King George.

It is your responsibility to vote LD 1344 "Ought Not to Pass."
