

Amy Crowley
OHI

Hi, my name is Amy, I work at OHI, I have worked here for 5 years. I have 2 kids at home, and 4 step kids. It would better assist my family and myself to get paid more per hour for the work that we do. We are all working overtime to fill in extra hours that are available and need to be filled. I love working at OHI, I am not here for the money, although it would be nice to be compensated for the work we do.
