What ever happen to the land of the Free...I have just as much right to choose what i want to smoke as you choose not to...I have smoked menthol since i can remember and thats all i smoke...I have the right to choose!!! What the hell is this world coming to when you can't do what makes you happy..It's my life!! Some stuff should be left alone if you people are board go raise money for the homesless and stop trying to ban crap.. People have the right to choose..If you choose not to smoke great but i choose too..Leave my flavors alone it's not going to stop anything
