

Lori Ham
Sabattus

I worked for CMMC in Lewiston. Declined the vaccine/let go for "non-compliance" on Oct 29, 2021. Last day worked Oct 28,2021. I worked from the beginning of the pandemic until that last day, & was willing to continue working. The verbage used to let me go was "non-compliance is taken as resignation". I am sole provider of income in my home.
