

Morgan Mattison
Resident

Dear Committee Members,

As a Maine citizen, I call upon you to stand up for the people of Maine and support this bill that will put, at minimum a 5 year hold, on the Covid mandate. Maine cannot continue down this dangerous path, dangerous in numerous ways, that are beginning to have the light shed on them.

It is imperative Maine citizens are supported by his/her representatives and I call on you to halt these mandates.

Sincerely,
Morgan Mattson
