

Carol Sullivan  
Rangeley

urge you to support this bill. These shots are harming and/or killing people and unborn babies at an alarming rate. Mainstream media isn't telling you about this but you don't have to dig deep to find the REAL stories. All you need to do is talk to a nurse who has witnessed this debacle first hand.

Please, PLEASE, support this bill. This insanity has to stop. You will be a hero if You are smart support this bill.
