

Khalid Ibrahim  
Springvale  
LD 1693

Hello

My name is Khalid Ibrahim and I operate a business in Springvale, ME.

I strongly oppose this bill. The proposed flavor ban and tax increase will negatively impact my business. I employ 7 Maine residents. A ban will push tobacco consumers just over the border into New Hampshire impacting my revenue as well as the State of Maine.

I encourage you to vote against this bill as it will cause harm to the business as these consumers purchase other products such as food and gas.
