A ban on flavored tobacco products would cause great harm to our business. Adults customers who purchase flavored tobacco products also purchase gas food and other items that our store depends on . With everything going on with covid the business is down big time . So please don't add to it by passing that bill . We just need to make it  
Total state tax paid cigarettes sales in Maine declined an average 1.1%  
A year for the last 10 years . If this trend continues or accelerate, the Maine government will collect less revenue from cigarettes excise taxes over time resulting in large funding gaps
