The Town of Cape Elizabeth has an excellent comprehensive Plan worked on for years with citizen participation at all steps of completing the Plan/project. We do NOT want the state of Maine to dictate what our town can and cannot do. State legislators do not know our Cape issues and have no vested interest in what our local goals are and the state is not in the position to decide what should happen in Cape Elizabeth. LOCAL control not state mandates because the citizens care about and carry through on our town needs.
