I support LD 891 “An Act To Eliminate or Forgive Fines and Penalties on Persons and Businesses Due to the COVID-19 Pandemic”, and LD 942 “An Act To Waive Professional and Occupational Licensing Fees for Calendar Year 2020”.

As I understand it, these bills would eliminate or forgive fines and penalties on persons and businesses due to the pandemic caused by coronavirus disease 2019, known as COVID-19, and waive professional and occupational licensing fees for calendar year 2020.

Everyone in the world was thrown totally off guard by this pandemic. Some of the restrictions imposed by our unilateral State government during this period have proven to be unreasonable, to be without merit, and have ruined many people’s livelihood. The least the state can do is pass this legislation to take away some of the sting from the slap in the face many Maine citizens/families/businesses were forced to endure.

Again, I support LD 891 “An Act To Eliminate or Forgive Fines and Penalties on Persons and Businesses Due to the COVID-19 Pandemic”, and LD 942 “An Act To Waive Professional and Occupational Licensing Fees for Calendar Year 2020”, and they “ought to pass”.
