

Susan Rogers
Maine Snowmobile Advisory Council

As a member of the Maine Snowmobile Advisory Council, Grants Specialist, past treasurer and life-long member of the Portage Lakers Snowmobile Club, I know first-hand the costs associated with maintaining pristine snowmobile trails in Aroostook County. With new grooming equipment costing all-volunteer, non-profit clubs around \$300,000, financial help is crucial.

Snowmobilers contributed \$606 million to Maine's economy during the 2018-2019 season and retained/maintained thousands of jobs.

Please accept this email as my full support of Maine LD280, increasing snowmobile registration fees.
