

JAMES STUBINSKI
SACO

My Club the Saco Pathfinders and myself support this bill 100%. Please help us continue to maintain our trail system. It gets harder every year to raise funds to maintain and groom our trail system. We need all the help we can get we have an average age of our grooming equipment that's 15 years old and it is very expensive to replace this equipment. Please consider helping all the clubs of Maine with this bill.

Thank you for your time
James Stubinski
