Maine Legislature,

I am writing to you to voice my opinion that I support the Maine Moose lodge tags program. We have been lucky enough to receive a tag the past two years, and it has benefitted our guide service and local guides stores etc.. in our area. It is important that we keep this program going.. I have seen that it is a important act to keep establishments up and going here in the north country where our deer heard is hurting. We have been able to do some much upgraded needs to our hunting camps. It is also beneficial to the state of maine IF&W to help out financially by having more sportsman come to maine and hunt here in the US rather than spending there money in other countries like Canada. Please help keep sporting camps in Maine ,especially northern maine going.

Thank you ,
Matt Morgan
