

Michael Ogar
Freeport

My name is Michael Ogar and we live at 15 Merganser Way, Freeport ME. I wanted to comment on the Airboat Operation act (LD 114). Please share that we request all boats to have a 65db or lower. We have nothing against airboats, it is the db levels which are disturbing to both residents and wildlife in the area. Please contact with any questions. Thank you,

Michael Ogar
