I oppose LD 1033 An Act to Allow Sunday Hunting on Private Property with the Written Permission of the Landowner.

Hunters have multiple chances to hunt all year long, 6 out of 7 days per week. There is no need to allow hunting on Sundays. Maine citizens have always supported hunting free Sundays – and rightly so. In addition to giving the hunted wildlife a break, hunting free Sundays allow me and my family the opportunity to get outside and run, bike, fish, etc. without having to worry about hunters, whether they are hunting on private land or not. Most hunters may follow the rules, but allowing any form of Sunday hunting creates additional safety and recreation issues for all.

Keep Maine's Sundays hunting-free and oppose LD 1033 An Act to Allow Sunday Hunting on Private Property with the Written Permission of the Landowner.
