

Lee Sampson  
Kennebunk

How About:

Honorable Members of the Committee:

My name is Lee Evan Sampson, and I live in Kennebunk, Maine. I am writing today to urge you to support LD 1033, which would allow Sunday hunting on private property with landowner permission.

As a dad, an employee, and a firefighter, often times my week is filled with both professional and family commitments. Allowing hunting on private property, with landowner permission, would allow me an extra day in the woods to hunt, with the added potential of feeding my family.

This bill strikes the right balance between other outdoor recreationalists and those who want to hunt on Sunday, because it does not allow hunting on public property. Individuals would still have plenty of opportunity to hike, bike, and otherwise recreate outside, without the safety concerns of running into hunters.

For these reasons, I urge you to support LD 1033 to allow working Maine families the additional opportunity to hunt on Sunday.

Thank you,
